Dear Wayne,

I am enclosing my check (No. 1767) for \$10.00 in payment of my 1984 WTS membership dues. Many thanks for your February, 1984, letter to the WTS membership and the enclosed reminder.

You will also find enclosed two additional checks, each for \$20.00 (Dana J. Jorgensen \$20.00; my check No. 1768 for \$20.00) for the sale of WTS Journals. I'm slow in getting Jorgensen's check to you. Shortly after he handed me the check, I became ill with a fever, and wound up for a 17 day stay in the hospital the fore part of February. For the first time in 33 years I was unable to start my work for the semester, and was out for the first two weeks. I had an infected left foot (toe!). I'm feeling good again and am thanking the Lord that I am mobile one again. A general surgeon said it might take five or six months for the foot to fully heal (pleasant thought!). I'm trusting the Lord to hurry up the process.

In a recent letter you referred to your course on Wesleyan-Arminian theology (or theologians). I would be very much interested in your course requirements -- would you mind sharing it with me? Do you have a bibliography? Please do not go to a lot of time or trouble, but if convenient, I would be glad to see it.

I'm back into the swing of teaching again and continue to feel the challenge of the classroom day by day. I hope all is well with you dear Caldwells.

Cordially, your friend in HIM,

Bill
