Some of these men bought a set of the WTS Journals, then decided to become or to apply for Student Membership. Since they were entitled to the current issue of the Journal, the amounts vary. I've tried to indicate the necessary information in the upper right-hand corner of the application. The last issue of the WTS Journal (Vol. 18, No. 2) did not state the cost of a set (23 issues), so I arbitrarily set the amount at \$21.00. I hope that is correct.

Also, I am enclosing a total of \$141.00 for the sale of WTS Journals. That amount includes cash sales totalling \$46.00, which I have included in my personal check of \$54.00, and that amount includes \$8.00 for the student membership dues of Lynn Crader and Donald D. Vundhla. Other checks enclosed for the sale of Journals are: Ronnie W. Dunaway \$21.00; Hei Soek Hong \$11.00; David K. Stewart \$21.00. Two other checks include the purchase of a set of Journals, plus Student Membership dues: Michael C. Schut \$24.00; Claude T. Stauffer \$24.00. In a few cases I made a \$1.00 cash refund to level out the purchase of a set of Journals and payment of Student Membership dues. The refunds included Lynn Crader, Ronnie W. Dunaway, and Terry Tamplen. The total enclosed for Student Membership dues is \$30.00. Total amount enclosed: \$171.00

Last Friday, July 27, I had the last class session of the July session of Summer School. I had 37 students in the class on "The Christian Doctrine of Holiness." It was four weeks of intensive study. We had a good time in the Lord. I had the students read George Allen Turner's book, The Vision Which Transforms, and write an 8 to 10 page summary/report, with a critical evaluation. The second writing assignment was a glossary of terms relating to holiness/sanctification and a second work of grace. At the outset of the course I gave them a suggested list of approximately 65 terms. The experiential factor was also stressed. I read the testimonies of E. Stanley Jones, Paul S. Rees, Henry Clay Morrison, and a student or two. About 10 - 12 requested prayer after the reading of Dr. Henry Clay Morrison's testimony (chapter 10 in Wimberley's life of Dr. Morrison). We had a good time of prayer on that occasion.

Much water has passed under the bridge. I was in Humana Hospital in Lexington for 44 days in April & May with my infected left foot. I had the privilege of being one of the evangelists at the Beulah Camp Meeting in Alabama, June 21, July 1. Preached and taught mostly from a rocking chair. Don Humble has my preaching partner and he did an excellent job. This Friday I leave for Hinton, West, Va., for a camp, Aug. 3 - 12. Thank you for your prayers. Your letter which came while I was in the hospital is very much appreciated. I'm still using my "walker." I hope you are having a blessed summer.

Cordially and gratefully, in HIM,

*Bill*
