Dear Brother Chilton,

Thank you for your recent letter of July 24, 1985. I am sorry for my delay/oversight of your previous inquiry. Before I left Wilmore yesterday, I looked for your membership card, but did not find it in either the active or non-active sections. But you wrote: "Already have a subscription to the WTS JOURNAL (\$6 for 1 yr, but it should be expiring this fall)." You are probably listed or filed in the "Standing Orders" section, but I did not check that section. My suggestion is that you re-apply for membership in the WTS, though I regret that I failed to bring some application blanks with me. I'll send one to you just as soon as I return to Wilmore on Monday, August 12, God willing.

Membership dues are now: Full member \$10.00; Associate Membership \$8.00; Student membership \$4.00. I am assuming that you would qualify as a Full Member. The various categories are listed on the application form with the qualifications for each.

Thank you again for your inquiry and for your interest in re-joining WTS.

Cordially, in HIM,

William M. Arnett, WTS Sec.-Tr.
