William M. Arnett, Ph.D., Secretary
Wesleyan Theological Society
Asbury Theological Seminary
Wilmore, Kentucky 40390

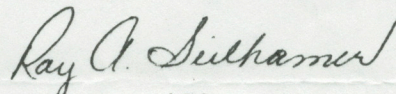

Dear Dr. Arnett:

The Faculty at Evangelical School of Theology has taken formal action to extend an invitation to the Wesleyan Theological Society to hold its annual meeting in Myerstown, Pennsylvania on November 6-7, 1987.

Evangelical would consider it a privilege to host the annual meeting. The Seminary has adequate space to hold the plenary sessions. Our Commons can accommodate the Society for meals and there are adequate motel resources in the area. The Harrisburg, Lancaster, and Reading airports are also within easy driving distance of the School.

EST looks forward to your response to our invitation to the Wesleyan Theological Society to hold its 1987 meeting in Pennsylvania Dutch country.

Sincerely yours,

Ray A. Seilhamer
President
