Dear Professor Neal,

It is a pleasure to receive your application for membership in the Wesleyan Theological Society. Your application was forwarded to me from Dr. Wayne E. Caldwell, Marion, Indiana. I am sorry for the delay in acknowledging it.

Although the application form you used did not state it, it is the requirement of the Society that the membership dues must accompany the application. You did not check the "status of membership requested," but you are qualified for "Full Membership." Dues for full members is \$10.00 per year. Please send me your remittance for \$10.00 and I will process your application immediately (i.e., send it to the Membership Committee as soon as possible).

While I am writing, I'll enclose a copy of the program for the Annual Conference, with a letter that was recently mailed to the WTS constituency. I shall look forward to hearing from you. Thank you again for your application.

Cordially, in CHRIST,

William M. Arnett, Sec.-Tr.
