Dr. Frank Carver  
Point Loma Nazarene College  
San Diego, CA 92106

Dear Dr. Carver,

I wanted to inform you that I have received from Dr. Earle Wilson the information regarding the seminar that the Wesleyan Theological Society will be presenting at the 1987 Convention entitled, "Exegetical Foundations for the 'Secondness' of Entire Sanctification". We are excited about the coming convention and are anticipating a great time of encouragement and uplifting.

The Host Committee met recently at the Hershey Convention Center and found the accommodations and facilities to be very pleasant and suitable for our needs.

As the time draws nearer please remember the convention in prayer, we are praying that this will be the most inspirational convention ever.

Thank you for your willingness to serve in this way. Please do not hesitate to contact us if you have any questions.

His Blessings.

Sincerely,

*B. Edgar Johnson*
