Dr. Allan Coppedge, Member of Membership Committee, WTS  
SPO

Dear Al,

Several items:

(1) Will you please sign Bill Ury's application for WTS membership, then re-address this envelope and return it to me through the SPO? I want you to have credit for this Full Member application. Bill Ury also ordered ten different issues of the WTS Journal in order to complete his set of Journals. I received a check in the mail today in payment for them.

(2) For your information, I am enclosing a xeroxed copy of two letters: First, a recent one on December 16, 1985, to Dr. Charles W. Dillman, Chairman of the WTS Membership Committee, with 74 applications for WTS membership. That is almost three-fourths the total that was sent in for the last fiscal year. The greater portion of the 74 came from two sources: ATS and the Journal sale last October when membership application forms were made available, and the Annual Conference at Kankakee last November. Second, my letter to Dr. George Lyons on September 26, 1985, with 13 applications for membership enclosed. In due time THESE APPLICATIONS NEED TO BE RETURNED TO ME FOR PERMANENT FILING HERE IN WILMORE. I have tried to stress this fact to George Lyons and Charles N. Dillman. To date, I have not received the applications I mailed to George Lyons last July or this more recent one in September.

(3) I took the liberty of using your name as a source of reference in connections with the display and sale of WTS Journals next week in an announcement in the CAMPUS CALENDAR, which I handed to the Dean's secretary last Thursday. I'll appreciate your "plugging" the display and sale of the Journals (next week) in your January interterm class. And my thanks!

Cordially, in HIM,

Bill
