Dear Dr. Saxon:

Thank you very much for your letter of October 30, 1986, which came the fore part of last month. Thank you also for enclosing your application for Full Membership in the Wesleyan Theological Society with your check for \$10.00 for membership dues enclosed.

As I mentioned in my correspondence with you last July, Dr. William Greathouse paid for your current subscription to the Wesleyan Theological Journal in the amount of \$10.00. With the enclosure of your personal check for \$10.00 with your application for membership, your membership dues are now paid through 1988. I have marked our records accordingly.

I have taken note of your recommendation for your esteemed colleague, Rev. Russell Brunt, and I will send him an application form with some information. Your recommendation is very much appreciated, as well as your membership application and dues payment.

Cordially, in CHRIST,

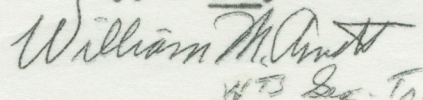

**DR. WILLIAM M. ARNETT, SEC. TREAS.
