Dear Dr. Carver:

On behalf of Ashland Theological Seminary I would like to extend to the Wesleyan Theological Society an invitation to hold its annual meeting on the Ashland Seminary campus at your next available date.

We have adequate facilities both for meeting rooms and can work with Ashland College in arranging dorm space over the weekend. We will also be glad to work with you in arranging any other details that might be necessary for your meeting. May God continue to bless the work of WTS and your leadership with the Society.

Sincerely,

Dr. Frederick J. Finks, Vice President
