Dear brother Jackson,

Your application for Full Membership in the Wesleyan Theological Society is very much appreciated. Your letter came in today's mail. Everything is valid, except you have used an elder application form. Full membership dues have been \$10.00 for some time (since 1979). Please send me a check for \$2.00 and I will begin the process of your application immediately.

And thank you very much!

Sincerely, in CHRIST,

William M. Arnett
