Dear Howard,

SECOND VICE-PRESIDENT

Donald W. Dayton, Ph.D.
Northern Baptist Theological Seminary
660 E. Butterfield Road
Lombard, IL 60148

I received your letter, dated 9-19-88, last month regarding the WTS Executive Committee meeting, and I hope to see you on Nov. 3 in San Diego, CA.

SECRETARY-TREASURER

William M. Arnett, Ph.D.
Asbury Theological Seminary
Wilmore, KY 40390

While going through our WTS records in search of our IRS Tax Exemption paper, I came across a couple of agendas. You probably do not need these, but they may offer some information/suggestions/reminders that will be helpful, so zerox copies are enclosed. Abingdon Press was surprised that we charged only \$50.00 for a full page ad in the Journal. It is one of the things we need to discuss.

PROMOTIONAL SECRETARY

Melvin E. Dieter, Ph.D.
Asbury Theological Seminary
Wilmore, KY 40390

I'm gathering mail & postage information in regard to the Journal. It may involve the payment of a \$300.00 for a permit, a charge IRS has instituted this year. Mel Dieter thought it should be taken up at our meeting.

I have not heard from Paul Bassett concerning the 1988 Spring Journal. Have you? You remember he told us at Portland that it would not be ready until August or September. I wrote him several weeks ago that it was Alex Deasley's policy to write me just as soon as the corrected copy was mailed back to the printer, but there has been no response. I wrote Paul twice (in July, then August) to get information for my letter enclosing the WTS programs, but got no reply, so I finally called him around the middle of August. He said he had been on vacation. In the "Minutes" of the Executive Committee, April 24, 1984, I ran across this "minute":

Paul M. Bassett, Ph.D., Editor

Wesley D. Tracy, D.Min.
Leon O. Hynson, Ph.D.

The motion was made by R. Larry Shelton that printing deadlines be established with Old Paths Tract Society on an annual basis of April 15 and September 1, for the Spring and Fall numbers of the Journal. The motion was passed. The president will contact Old Paths to ascertain the deadlines they must establish for manuscripts to be first received, set, proofread and returned from the Editor, for printing and delivery of the Journal by April 15 and September 1 each year.

Old Paths does not operate on a fixed, rigid schedule to print our Journal, but they do excellent work at modest prices. Furthermore, a printer cannot do the work until the copy is on hand, and that is where the main trouble has been. In the six years Alex Deasley served as Editor he never got a single issue out on time. Are we in for more of the same? As matters now stand, we are two issues behind schedule. From several sources in the past, I've understood that Paul B. has the reputation of getting his work done at much later than the 11th hour, as well as well past the dead- (OVER, please)

line. I've avoided putting any pressure on Paul since this is his first year as Editor, other than trying to get some information. We will see what his report will be. Meantime, I wish I could do a better job at my own post.

Sincerely, in HIM,

Dear Howard,
