Dear Sir,

About a month ago I received a letter from you inquiring about my membership in the Wesleyan Theological Society. I apologize that it has taken so long to return your letter, but I somehow shuffled the letter to the bottom of the pile and am only now getting to it. Your letter asked several questions about my application for membership in WTS during my stay at Asbury. I would like to respond to these questions:

- 1.) To my knowledge I did pay the \$5.00 student membership (I was attempting to become a member before graduation)
- 2.) Yes an application form was filled out and my recommendation came from Dr. Alan Coppedge.
- 3.) No. I have never received confirmation of my membership.
- 4.) No. I have not received Journal 23:1/2 (1988)
- 5.) The only comment that I have is that I would sincerely be interested in being a member of the society.

My current address is:

Rev. Bill Posey
627 Prospect
Clay Center, Kansas 67432

Since I am currently serving a charge in the area that claims Dr. Arnett as a native son I am very interested in his well being. I pray that God's touch will restore his family once again to health. Thank you for your concern and interest.

Yours in Christ,

Bill Posey
