Dear Howard:

Once again I am in Wilmore caring for CHA business. Things look very good regarding the Lexington Convention.

As I mentioned earlier, we have asked Asbury College to recalculate the salary for the CHA office manager. There are some slight changes due to changing costs in social security, unemployment insurance, etc.

The 15% of the office manager's salary will be \$175.65 per month. I believe this is just a few more cents than you have been paying.

Patricia told me that gradually everything is being cleared up so that the WTS business can become up-to-date. Just a few days ago Dr. Arnett called and stated that he had found some additional checks and addresses. These are being cared for.

If you want to use the CHA mailing list at any time to promote WTS, please let us know. Eventually we may want to approach WTS people to see if they will join CHA. CHA very much needs to expand its membership and base.

I am looking forward to seeing you at the convention in a few weeks.

Very sincerely,

Burnis H. Bushong
