Besides your normal financial and membership reports, there are a couple issues that you might consider bringing information on. One is whether we need to reprint any back issues of the Journal (numbers remaining, how many sold a year, etc.). The other issue is whether our new computerized lists can allow any kind of a projection of future income over expenses, to guide our decisions about meetings, speakers, etc.

### EDITORIAL COMMITTEE

Paul M. Bassett, Editor  
Nazarene Theological Seminary  
1700 East Meyer Blvd.  
Kansas City, MO 64131

Enclosed please find two items that I have drafted which we will consider adopting as formalized guidelines at the meeting.

If you have any questions about any of this, let me know.

Harold W. Burgess  
Wesley Tracy

Sincerely,
