Dear Dr. Greathouse:

I'm happy to pass along some information to you. The executive committee of the Wesleyan Theological Society met in April at the CHA meeting in Lexington, Ky.

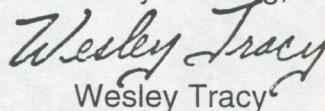

One of the things that we did was to name you for the Lifetime Achievement Award to be presented at our November 1997 meeting. I wish I could take credit for bringing this well-deserved award to you, but actually it was Bill Kostlevy of Asbury who made the nomination.

I have asked Rob Staples to make the presentation to you in our behalf at our WTS meeting at Mount Vernon Nazarene College November 7-8, 1997. I do hope that you can plan to attend and receive this recognition from the Society.

Dr. Doug Strong, vice president and program chairman, may also be in touch with you soon about preaching in the worship service that is planned for the WTS conferees.

May you be among the blessed ones who, nerved by God, set out on pilgrimage and find fountains of living water in every thirsty valley.

Every blessing,

Wesley Tracy

President
