Dear Colleagues:

I am enclosing a copy of my current program plans for the 1999 WTS annual meeting. I value your appraisal of my plans and solicit suggestions for improving the program.

To maximize the number of persons who will receive the call for papers, the 1999 program will be presented when we meet this fall at Mt. Vernon Nazarene College. We will likely have a larger percentage of our membership present in Mt. Vernon than in Cleveland.

I am not clear regarding the number of the 1999 meeting. Given the joint session next spring, will the 1999 meeting be the 34th or the 35th annual meeting?

I will appreciate receiving your suggestions no later than October 1, 1997.

Sincerely yours,

Al Truesdale

Professor of Philosophy of Religion and Christian Ethics
