---

Bill,

I will convene the nominating committee, and, as discussed, I will present the names you suggest.

I had a good discussion with Bill Faupel and convinced him (I think!) that ATS would be a good place for the 2003 meeting. Also, I have now received an official invitation from IWU for 2001 and probably have one coming from Roberts for 2004 (they are very inclined toward hosting us).

So, along with Hobe Sound, it looks like we are all set for the next five years. Please send me several copies of the Expectations for Host Institutions sheet. Thanks.

Doug
