The WTS web page has been updated. I just noticed a few days ago that Dr. Hotle had included the package you sent me in with some of the CHP materials he dropped off for me.

If you need to mail anything to me, you can mail it direct at:

4502 Millertown Pike
Knoxville, TN 37917

My phone number is: 865-523-2660

If you have any further corrections you want made to the web page, just let me know.

Thanks,
Aaron
