---

It is my understanding that the WTS will be meeting in Marion, IN next spring? If true, I would like to offer the facilities of the NEI Nazarene Camp Association. We are minutes away from the Wesleyan University. We will have multiple brand new dorms, each room holding 14 to 16 "campers," with restrooms and showers off of each room, heated and air conditioned and all new furniture. The price for these is ridiculous compared to hotel space. We could also offer dining hall meals and some transportation services. These will not be offered should they interfere with the provisions for housing and meals being made through "official" WTS channels. But if this can aid the effort for getting your students into our WTS meeting then contact me please.

-Darrell R. Poeppelmeyer,  
Treasurer for the NEI Nazarene Camp Association
