Your application for membership in the Society, together with your payment of dues for the current calendar year, has been received and processed in my office. The Membership Committee considers and passes on all applicants and unless there is some reason they find to decline your membership, it will be approved in a few weeks.

You may consider this notification as final unless you hear differently from me, that you are now a member at the level for which you applied. As a new member I am happy to send you the current Journal, unless you have previously received it. As long as you membership dues are paid you will continue to receive all publications of the Society at no extra charge. You are also extended all the privileges which pertain to the membership for which you applied. (Please note the Bylaws in the current Journal).

It is my sincere desire to serve you in any way that will be helpful. Please feel free to write me any time you have a question or problem concerning the WTS. I pray that the articles in the Journal will be both inspiring and helpful and that your fellowship with other members will be stimulating and spiritually enriching.

I urge you to attend every annual meeting of the Society, announced well in advance and held the first Friday and Saturday of November each year. If you should desire past issues of the Journal, please note they are all available at prices indicated in the current Journal.

In order for you to have the full benefits of your membership, please be aware that nothing is more urgent than to keep me informed of CHANGE OF ADDRESS! More members are lost and do not get what they have paid for because they leave no forwarding address and do not inform me. Many thanks in advance for your help to me. God bless you richly in the area of ministry to which He has called you! Your friend and brother in Christ, Wayne E. Caldwell *Wayne E. Caldwell*
