SECRETARY-TREASURER

Marion, In 46952

Dear Christian Laborer in the great harvest field of the Lord:

Have you received all of the issues of the Wesleyan Theological Journal, since becoming a member of WTS? If not we may have failed you. I shall be happy to mail you the copies you did not receive. Secretaries and post-men do make mistakes.

Our records show that you have not paid dues for your membership in the WTS since _____

and that you presently owe _____ for the years _____.

Because of the directive of the membership at a duly convened business meeting of the WTS I have no option but to discontinue your name on our membership roll, unless your dues are paid. No further attempt will be made in this regard beyond this mailing.

If you feel that you cannot pay all past dues I shall be more than happy to accept payment for this year's dues of _____ plus payment for the Journals you have received at the current rate of \$2.00 each. Or if you would like to continue to receive the Journal each year at the current rate of \$2.00, without membership, I shall be happy to place you on our STANDING ORDER LIST.

Thank you for giving prayerful consideration to your relationship with WTS. I should like to hear from you by return mail, please. If I have not heard from you by October 1, 1977, your membership will be terminated.

In Gospel Bonds, Wayne E. Caldwell *W. Caldwell*
