CAPITAL CAMPAIGN NEWS

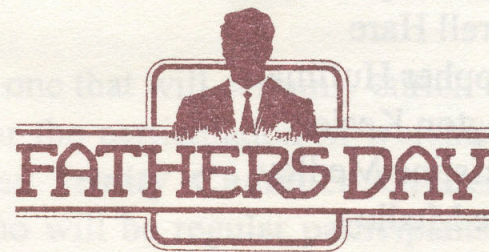

Pledges since the campaign began now total \$1,630,050 as of May 23, 1999, with the Dukie and Perry Sloan \$500,000 matching money not yet calculated. Only a few weeks remain so it is time for gift decisions to be made. Some of our intrepid and highly motivated callers have not completed their assignments. They will! They will! And soon!

A number of naming opportunities remain, and gifts of lesser amounts are very important. This is an effort which is bigger than any one of us! Not often do we have the satisfaction of being part of such a project. As one present day philosopher put it, "we are changing from an urban church which is struggling to survive, to a church which is striving to make a difference."

Our campaign leaders, Becky Bowden and Susan Ross, and their exceptional team, are working hard for us. Please make your generous pledge to help reach the \$3,000,000 Family of Faith goal and to make the vision into reality!

On Sunday June 13 we will be commissioning the Jamaican Youth Mission Team as part of our Sunday worship service. Please come to worship and show your support. On June 14, at 6:00 A.M. the first leg of our trip begins as we leave RDU for Atlanta and then to Jamaica. Nineteen youth and three adults will be heading to Jamaica to spend 10 days working, caring, worshipping, sweating, and sleeping.

Our group is assigned to the Moorlands Camp in Spurtee. The camp will have approximately 110 people. We are told that our work projects will be based in and around the community of Mandeville and at the Manchester infirmary. We will also take part in a children's outreach program at the Ebenezer Basic School next to the camp.

If you're wondering what our day will be like:

6:30	Rise and Shine
6:45	Breakfast
7:30- 3:30	Work day w/ lunch
3:30-5:30	Free time
5:30	Time for the TAPC group to be together
6:30	Dinner
8:00	Big Group Meeting
9:00	Small Group
10:30	Head for bed
11:00	Lights out

On Sunday we will attend a Jamaican Church Service. The service will last at least 2 hours in a very warm sanctuary (this may be a form of penance). Many thanks to all who have supported our fundraising activities. Please keep our mission team in your prayers as they head out for service.

In Christ,

Donovan Drake

Associate Pastor Nominating Committee News

The Associate Pastor Nominating Committee is still receiving information forms from candidates for our Associate Pastor position. The APNC will begin initial stages of interviewing prospective candidates in the next few weeks.

MUSICAL NOTES

ORGAN CRAWL

MUSIC ACTIVITY at Trinity outside of Sunday morning has consisted of several recent noteworthy items. On Monday, May 17th the combined **Raleigh** and **Durham/Chapel Hill** chapters of the **American Guild of Organists** included Trinity Avenue in their annual spring meeting. (Harry Jansen is currently **Sub-Dean** of the Durham/Chapel Hill chapter).

The **Bedient** pipe organ here continues to draw outside interest and, on this occasion, was visited by some 20 area organists/organ enthusiasts who were treated to a demonstration/performance by Harry Jansen. AGO members were also able to play and inspect the instrument.

TRINITY CHAMBER ORCHESTRA

Since **Easter** the music program has developed a new perspective, one that will certainly enrich our church for a long time. The **Barringer Music Endowment** has provided for the participation in worship of orchestral instruments several times a year. What will now be known as the **Trinity Chamber Orchestra** has been consolidated with a permanent roster of professional musicians who will be regular participants in our music program. This has been a goal of mine for some time and I feel it will add a new dimension to our overall program! We also hope to add them more frequently in musical services and events in the future.

JR. HIGH/SR. HIGH CHOIR

Speaking of growth and additions, we will be adding a fourth choir to our music program this Fall. Since a number of our children are moving up to become the youth, they need a choral program to participate in as well. A **Jr. High/Sr. High Choir** will commence in **August** along with the other choirs in our program. The age group will be from **6th grade** and up. Most of the members will already be graduates of the **Chapel Choir** program.

ANGELUS & CHAPEL CHOIR PLACEMENT

Since we are expanding the choir program, the age/grade groupings of each choir will be different next Fall than during the past choir year.

As of **August** the **Angelus Choir** will mainly consist of **1st** and **2nd** graders and the **Chapel Choir** will include children in **3rd** through **5th** grade.

WATCH FOR FURTHER ANNOUNCEMENTS REGARDING THE NEW FALL CHOIR SCHEDULE IN THE BULLETIN AND AUGUST NEWSLETTER.

Have a safe and wonderful summer!

Harry Jansen

CHRISTIAN EDUCATION

Did You Know? Have You Seen?

I would like to introduce myself as the new Children's Ministry Coordinator and thank everyone for the warm welcome I have received.

My name is Vanetha Machock and I come to you with a strong educational and professional background in teaching. I received a BS degree in Elementary Education from Buffalo State College, and also studied art and therapeutic recreation at Virginia Commonwealth University. I've been blessed with a wide variety of wonderful teaching experiences, pre-K to 4th grade, in Virginia, New York, Washington, DC, California, Texas and on a small boat in Mexico.

I'm thrilled with the opportunity I now have to help you continue and further develop an exciting, creative, spiritual and educational Sunday School program. I believe creativity is an important component to learning and you'll soon be seeing evidence of this along the walls and in the classrooms.

For the summer, we will shift to a two room rotation, Trinity Theatre and Creation Center. In the Fall we will return to the four room rotation that is now in place.

Please check the Christian Education bulletin board each week for lots of important stuff: Monthly Schedule, Up-coming Events, Take Home Fun, Classroom Sign-up, a list of recycling materials you can donate and more. Please continue introducing yourselves to me. It's so good to be here and I'd like to get to know you all.

Vanetha

PRESBYTERIAN WOMEN

Presbyterian Women had their **Spring Gathering** **May 23** at 3 pm. It had been announced that we would present an Honorary Life Membership. The big surprise was that we presented two memberships; they were awarded to Becky Bowden and Dott Faulkenbury. Since Dott was on the committee to choose the HLM, the rest of the committee had to keep it a secret that two people were being honored. We congratulate these two women who have served the church and PW with great devotion!

Jo Deckard and Lisa Drummond will be our new **Co-Moderators** for the upcoming year, with **Suzy Ward** serving as **Secretary and Historian**, and **Marie Grauerholz** serving as **Treasurer**

Many thanks to all of those who helped with the **reception for Scott and Carolyn Andrews**. Special thanks to Yvonne Crumpacker for the lovely floral arrangements.

TAPC HAS A NEW SEXTON!

TAPC has a new Sexton, Greg Mikels. Greg is from Durham, is married and has three children. Greg has already proven himself to be invaluable to the office staff (how'd we ever do without him?). We hope that you will extend Greg a warm TAPC welcome.

Building Committee Update

We're having fun now!

Ongoing filings, discussions, interpretations and occasional approvals with Federal, State, and City regulatory groups around the piping of the stream, rerouting of the sewer, and closing of the alley continue to challenge the building project plan. The final site plan cannot be determined until these issues are resolved but we still expect to achieve our objective of maximizing the use of our property.

The current efforts of the building committee are to utilize this time to clearly define the functional/program requirements of our Church. We need to provide the maximum amount of detailed information to the architects for the design phase of the project. Bill Waddell and other committee members are gathering this information from a series of structured meetings with a large cross-section (ten groups) of the congregation. Current, planned, and needed programs are being analyzed to determine needed layout, size, adjacency, and accessibility requirements. This phase will be complete by mid-June.

Some much needed repair work to the Sanctuary roof is scheduled to begin in late June. The replacement heating system for the basement will also be managed on an independent time-line to ensure completion before cold weather returns.

Many challenges remain ahead for this project, but thanks to the efforts of many of you, the future is exciting. Stay tuned for regular updates.

Jim Petrea
