### Building Up The Body of Christ!

*Telling The Story*

**To Equip the saints for  
the work of ministry!**

## Building up the body to... Tell the Story!

On October 8, 2000 we will celebrate 75 years of ministry on the corner of Gregson and Trinity Avenue.

According to a history of our church that was compiled by Bob Blake:

"The first service was held in the new Sanctuary on Sunday, October 6, 1925, and Dr. Frank S. Hickman, Minister to the Chapel at Duke, was the speaker for the occasion.

The approximate cost of the new building in 1925.

Cost of exchange in lots	\$ 8,000
General Contract	48,000
Heating Plant	3,800
Organ	8,000
Sunday School Partition	1,000
Carpet, Chairs, etc.	1,000
Benches	3,000
Windows	2,000
Light Fixtures	1,500
Architect	1,500
Total	\$77,800

If we were to build the same building today at \$175 per square foot, the General Contract alone would be \$2 million.

But building costs aside, I like the way Mrs. H. C. Carr said it in her account, "In answer to prayer we believe a large group of members in the First (Presbyterian) Church, realizing the opportunity and being anxious to be used by the Master in the furtherance of His Kingdom, moved their membership to Trinity Avenue Presbyterian Church. ...Hearts have overflowed in their zeal for service, and many lives have been made happier for having felt that they were actually needed to render some deed done for Him."

Join us on October 8<sup>th</sup> as we celebrate the many lives that have answered the call and continue to answer the call of our Lord Jesus Christ!

Blessings! Donovan

## We Rally Thank You!

A big THANK YOU to Chris Berry, Cathy Church Norman, Venetha Machock and Lisa Drummond for their work in overseeing our successful Rally Day, and to the Weekday School for their contributions. It was a great success! Many visitors remarked about what a wonderful church we have! Our Children's Sunday School classes were overflowing! The weather was great! The day met its purpose of getting our children and our adults excited about the future of our church.

We are building up the body of Christ. Equipping the saints for the work of ministry. We are telling the story to our children and our children's children. Thanks for all the hard work!

## Primetimers

On Thursday, September 14, Primetimers will present a program of interest to anyone who has ever had a loved one undergo a serious operation! Dr. Mitchell Kruchoff, a cardiologist at Duke University, will be our speaker. He is conducting a carefully designed ongoing study of the effect of prayer on the recovery of hospital patients. He will discuss his work and some of the preliminary results. The Primetimers meet at 11:00 am to hear Dr. Kruchoff's lecture. There will be a delicious home-cooked luncheon immediately following (there is a nominal charge for lunch). You are welcome to come for the presentation only.

The Primetimers extend a cordial welcome to all. Reservations must be made no later than Tuesday, September 12, so that preparations can be made to accommodate everyone! Don't miss this outstanding program!

## WEATHER OR NOT! For the Adults!

Channel 5 Meteorologist Greg Fishel will be our guest on October 15. Everyone is invited to attend. Greg and his family are members of White Memorial Presbyterian in Raleigh, and Greg will be speaking about his faith, his work and how it all comes together.

*Building up the body to...  
equip our youth!*

## Youth News

Welcome back! This year is going to be an adventure! We've got lots of new things in store for you: new leaders, a new youth council, new times, and new groups.

This year middle school and high school youth will each have their own youth groups. Fourth and fifth graders will have their own group too!

If you're in high school or middle school, come find out more at the

### **The Tribal Council Has Spoken!**

The name of the new Senior High Sunday School Class is "Surviving Yourself: Out Pray, Out Praise, and Out Serve." All 9-12 graders are invited to join a Sunday School Class unlike any you've been to before. We will be visiting other churches, meeting in interesting places, and making the room our own, just to name a few things. Our theme for the year is "A God of Your Understanding." Isn't it time we began to form our own relationship with God? What will we do after high school? What is the right way to pray? These are just some of the questions you'll try to answer in "Surviving Yourself," a class with your rules, your feelings, your ideas. Come to a place where your opinion and ideas really count. We don't have a million bucks to give away, but the gifts we do are truly priceless. Can you survive? We think you can, but you won't know if you don't come.

## *Building up the body to... Tell the Good News!*

It was a good thing we arrived early for church on Rally Day. We were so overwhelmed by the greeting we received in the parking lot, we barely made it to the worship service on time. There a full house, exquisite music, a timely message, and great fellowship all served to make us glad to be home.

We landed in the USA in June. After visiting family in California, we made our slow trek across the country by minivan. We arrived in Durham on August 19<sup>th</sup>, and this will be our home through the first week of November. These six months in the USA are part sabbatical leave from Trinity Theological College, a time of research and preparation, and part "Mission Interpretation" wherein we visit Presbyterian churches to share about our work in Singapore and the overall work of the PCUSA in Mission. Thus, over the next two months, we will be visiting churches in North Carolina, Tennessee and South Carolina as well as churches as far away as Michigan and Rhode Island. This means we will only have a few Sundays at TAPC even though we will be in Durham most of the time during the week. We are renting a lovely home just off Oval Park at 1300 Oakland Avenue and our phone number is 286-2200.

Words cannot express the depth of our thanksgiving and appreciation for the love, prayers, concern and support you have shown us over the 3-½ years of our work in Singapore. At Trinity we teach that mission is not an individual thing but concerns the whole church. How much easier to teach that lesson when your home church sets the standard! Your support through the Mission Committee and the tireless efforts of Martha Sparks have allowed us to set up a proper office where students can come to learn and share, made it possible to do critical work in Northwest India and East Malaysia, funded students who will make a critical difference in the Church for years to come, and allowed us to take a nice cool drink of water on a hot day thanks to a refrigerator we couldn't have afforded otherwise. In short, through your kindness and generosity, you have not only changed our lives but the lives of many who live on the other side of the earth.

As for our current status, we have been asked by TTC and the PCUSA to return for another three years to Singapore to continue our work there. There will be some changes. TTC will be moving into its new facilities next July and this will be a major undertaking for all of us on staff. Further there will be an expansion of the programs at TTC into a variety of areas. One is to develop several centers of denominational education. We will be involved in the John Knox Center, which will be established to serve Presbyterians throughout the entire Southeast Asia region. Further, it is our long-term goal to establish a Ph.D. degree in Asian Church History and Theology. Thus, we can look forward to a busy and productive term.

One stop on our journey from California to Durham was our conference in Louisville with other missionaries on furlough or returning permanently as well as the leadership and staff of the World Ministries Division. This is a personal observation and evaluation, but in the midst of tremendous transformation and turmoil, the WMD is in a process of positive change. Like much of the PCUSA, the WMD has been a house divided against itself. Our experience in the past has been that these differences were more often exacerbated by some leaders in the WMD than addressed much to the detriment of the Mission and work of the PCUSA. Nonetheless, our new director, Marian McClure, is a capable leader who is working to establish our common ground in mission as well as the need for coherent diversity. She has instituted critical changes on staff that bode well for the future of the WMD. There is still much work to be done, but the WMD is on the right track.

Finally, I fear that our time together will pass all too quickly and that before we know it, we will be leaving Durham again to return overseas. With our being gone so many weekends, we are going to make a special effort to be at the church for the Wednesday night get-togethers to catch up with old friends and get to know those of you who have joined the church since we left. We will also take time to share in greater detail about our work overseas. Even if you don't regularly attend, Wednesday evening may be your best chance to get to see us and talk with us. Aside from that, do feel free to call us at any time at the number above.

We look forward to sharing with you more.

Blessings

Tom, Judy, Joseph, Paul and Emma

## *Building up the body to equip you to...*

Welcome to a new year of Christian Education at TAPC. We hope you enjoyed the Rally Day 2000 celebration!

Christian Education is something to celebrate and has a very definite purpose in our lives. Sunday School can be a place where people meet Jesus Christ and come to know his infinite power and love. It can teach people how to become contributing members of the Christian community. It can help students learn about and feel a part of their Christian heritage, and it can be a training ground for students to fulfill the Christian mission. A good Sunday school program should offer trust, guidance and challenges that produce growth.

We have a program that we believe will achieve all of these things.

Our new Children's Sunday School curriculum is Bible Quest. It is a Bible story curriculum which teaches the overall story of the Bible, helps to develop skilled and faithful interpreters of the Bible and invites the children to live as disciples of Jesus Christ.

On their first day of Sunday School, the students will receive "A Year At A Glance" which will let parents know what Bible stories we will be exploring each week. We hope parents will use this information to follow along, share, and reinforce at home what the children are learning in Sunday School. (Each age level is color-coded. Look for any bulletin board notices in this color regarding your child's class.)

### Kindergarten parents:

Kindergarteners are now joining 1st and 2nd graders for Children's Church. Parents need to pick their children up from their Sunday School classrooms and take them to the sanctuary for worship. (If you cannot do this please arrange for someone else to pick them up.) After the children's sermon they will leave the sanctuary with their teachers for Children's Church in Room 207.

On the first Sunday of each month there is no Children's Church. All children in K-2 still need to be picked up from their classrooms and taken to the sanctuary. After the children's sermon, Kindergarteners will go to their Sunday School classrooms for child care. First and second graders will remain in the sanctuary with their parents for the worship service and communion.

All Parents need to arrange for their child's pick up from Sunday School up through third grade. Fourth and fifth graders can take themselves to worship.

The age levels of classes have shifted to better accommodate developmental stages of the students. All new curriculum is broken down in this way.

The classrooms are as follows:

CLASS	TEACHERS	ROOM #
Infants - 17 months		200
Toddlers & Twos (18mos to 2 yrs)	Jo Deckard, Kirsten Berlin, Kristen Bilden	101
Pre-K (3 & 4 yrs)	Beth Drake, Tami Frenduto	102
Kindergarten	Marsha Hare, Sara Williams	103
1 <sup>st</sup> grade	Catherine Penney, Sloan Nuernberger	204
2 <sup>nd</sup> & 3 <sup>rd</sup> grades	Mary Jones, Connie Badger	210
4 <sup>th</sup> grade	Bill Breeze	207
5 <sup>th</sup> grade	Judy Wooden, Martha Aitken	205

(Sunday School Superintendents are Cindy Huffman and Chris Berry.)

The classroom doors are now numbered and have a color coded sign.

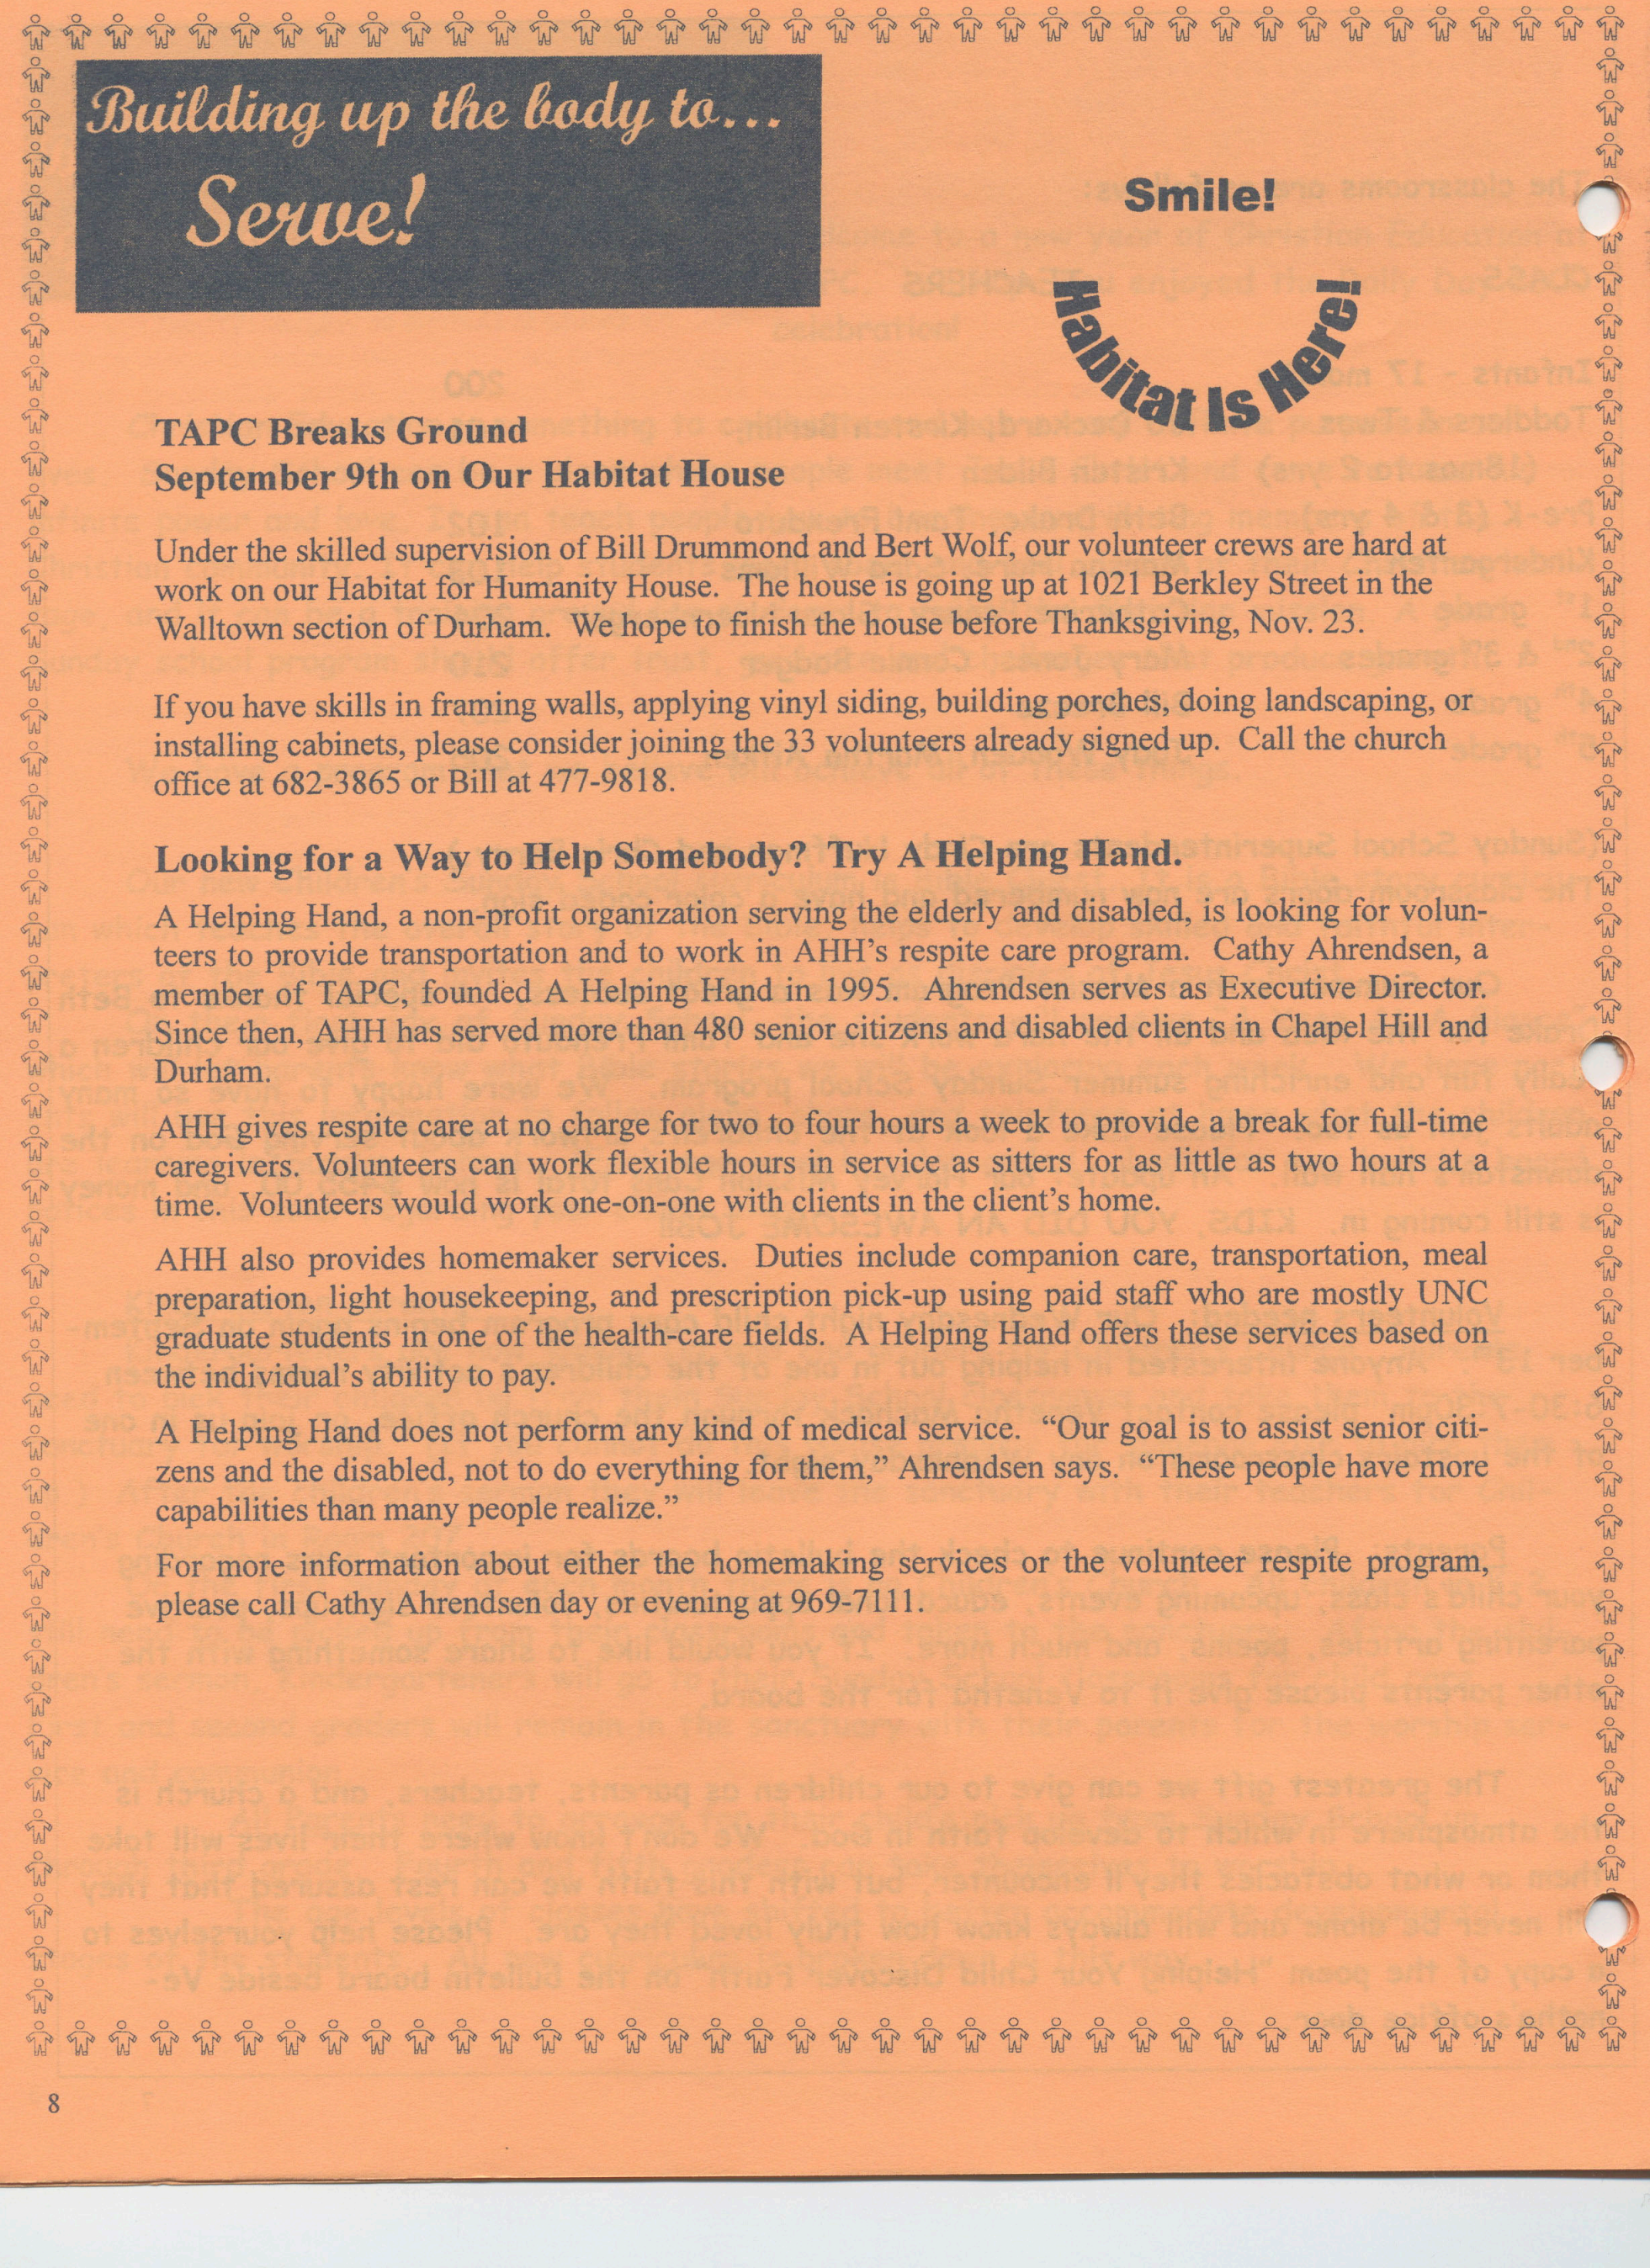

Our Summer with a Mission Program was a great success. A special thanks to Beth Drake for the idea and all the hard work she and Tami Frenduto did to give our children a really fun and enriching summer Sunday School program. We were happy to have so many adults join us too. Please take a look at the children's artwork about serving God on the downstairs hall wall. An update: our Harvey Mission Cans total is now \$455.00, and money is still coming in. **KIDS, YOU DID AN AWESOME JOB!!**

Volunteers needed: Our Wednesday night child care program begins again on September 13<sup>th</sup>. Anyone interested in helping out in one of the children's activity rooms between 6:30-7:30pm please contact Venetha Machock through the church office, or join us in one of the upstairs classrooms on any Wednesday night.

Parents: Please continue to check the bulletin boards for important news regarding your child's class, upcoming events, educational opportunities, volunteer sign-ups, positive parenting articles, poems, and much more. If you would like to share something with the other parents please give it to Venetha for the board.

The greatest gift we can give to our children as parents, teachers, and a church is the atmosphere in which to develop faith in God. We don't know where their lives will take them or what obstacles they'll encounter, but with this faith we can rest assured that they will never be alone and will always know how truly loved they are. Please help yourselves to a copy of the poem "Helping Your Child Discover Faith" on the bulletin board beside Venetha's office door.

**Habitat Is Here!**

## **TAPC Breaks Ground September 9th on Our Habitat House**

Under the skilled supervision of Bill Drummond and Bert Wolf, our volunteer crews are hard at work on our Habitat for Humanity House. The house is going up at 1021 Berkley Street in the Walltown section of Durham. We hope to finish the house before Thanksgiving, Nov. 23.

If you have skills in framing walls, applying vinyl siding, building porches, doing landscaping, or installing cabinets, please consider joining the 33 volunteers already signed up. Call the church office at 682-3865 or Bill at 477-9818.

## **Looking for a Way to Help Somebody? Try A Helping Hand.**

A Helping Hand, a non-profit organization serving the elderly and disabled, is looking for volunteers to provide transportation and to work in AHH's respite care program. Cathy Ahrendsen, a member of TAPC, founded A Helping Hand in 1995. Ahrendsen serves as Executive Director. Since then, AHH has served more than 480 senior citizens and disabled clients in Chapel Hill and Durham.

AHH gives respite care at no charge for two to four hours a week to provide a break for full-time caregivers. Volunteers can work flexible hours in service as sitters for as little as two hours at a time. Volunteers would work one-on-one with clients in the client's home.

AHH also provides homemaker services. Duties include companion care, transportation, meal preparation, light housekeeping, and prescription pick-up using paid staff who are mostly UNC graduate students in one of the health-care fields. A Helping Hand offers these services based on the individual's ability to pay.

A Helping Hand does not perform any kind of medical service. "Our goal is to assist senior citizens and the disabled, not to do everything for them," Ahrendsen says. "These people have more capabilities than many people realize."

For more information about either the homemaking services or the volunteer respite program, please call Cathy Ahrendsen day or evening at 969-7111.

## Here is a summary of the Preschool VBS week!

We had the children experience and learn the "Fruit of the Spirit" through various activities. They included: music, puppet show, a "dig" in the sand to find a symbol, painting T-shirts, craft projects, snacks, outdoor free time and organized recreational time.

On Friday we had the children and their parents join us for a closing program and luncheon. Children and adults had a great time experiencing and learning about the Spirit of God!

## THANK YOU !

To: Amy Daniels, Leslie Lobaugh, Tami Fren-duto, Lisa Drummond, Mary Mattiacci, Bert Wolf, Corlis Wood, Betty Beavers, Kristen Bil-den, Charlene Martin, Cammi Dale, Christina Daniels-Freeman, Kathleen Bridges, Chris Berry, Marie Grauerholz, and Beth Drake

What do these wonderful people all have in common! They did the ministry of Christ at the Preschool VBS! Now that deserves a huge hug and thank you!

## Parents We Need Your Help!

Wow, our Sunday School program is going strong! Our teachers are dedicated to teaching our children the good news! In order to help the teachers and children, please plan on arriving at 9:45 am. We don't want your child to miss any of the lesson!

## Nametag Update!

Have you lost or misplaced your permanent, "clip-on", TAPC member nametag??? Quite a number of "folks" have reported this situation to me.

So, probably, the time has come to print a new set for ALL members on TAPC's rolls. (If this means some of you will have two tags — great — now, you can leave one here at church and have a "spare" at home to put on when attending church activities & services).

WHEN will these be available? Hopefully, by Sunday, October 1st. Read the Sunday bulletin for updates on where you will be able to locate the new set and receive yours.

Thanks,

Corlis Wood, New Member/Visitor Committee

## Have You Noticed????????????

Our clean and newly trimmed painted rooms? They are looking sharp thanks to our weekday school parents - Tami Fren-duto, Charlene Martin, Karen Davies, Carol LeVine, Leslie Lobaugh and Beth Drake.

Thanks for all your hard work!!!

## Reading Group

A monthly reading/discussion group is in the works. We would meet on the first Tuesday of every month, 7-9 pm, to discuss classic and contemporary works of fiction, history, (auto-)biography, spirituality, and theology. These are not primarily aimed at "devotional" reading, but rather great works which engage and deepen the Christian message in provocative and challenging ways. Carl Badger will be the group facilitator: call 493-4134 or email [Cbadger@Dellnet.com](mailto:Cbadger@Dellnet.com) for more information.

## **40<sup>th</sup> Anniversary Celebration**

### **Presbyterian Point**

**(1960-2000)**

**Friday, Sept 22, — Sunday, Sept 24, 2000**

How many of you have fond memories of camping/retreats as adults or as youth attending the summer programs at Presbyterian Point?

Would you enjoy coming together for a weekend of reunion, sharing memories, informal activities, Saturday-evening campfire, and Sunday-morning worship service with others for an anniversary celebration weekend?

There will be no charge for use of cabins or "pitching" a tent on site for the weekend AND – site-manager, Robert Stodtard, is providing Saturday/Sunday meals for one and all who come up to "reminisce" and enjoy this special weekend.

Have any questions or need more information, call Corlis Wood (286-4024). (Corlis is a member of New Hope Presbyterian Point Outdoor Ministries Committee and has been camp nurse at Presbyterian Point for the past 5 summers.)
