**THE TAIZÉ COMMUNITY**

The Taizé Community is an ecumenical monastic order in France. It consists of around 100 brothers from Catholic and various Protestant backgrounds, coming from about 30 countries. Taizé's life is a sign of reconciliation among divided Christians and among separated peoples. The community has become one of the world's most important sites of Christian pilgrimage. Over 100,000 young people from around the world make pilgrimages to Taizé each year for prayer, Bible study, sharing, and communal work. The meditative worship style is characterized by short songs, repeated again and again, using just a few words to express a basic reality of faith. The meditative songs paired with silence become a way of listening to God. They invite worshippers to wait together for God, an image of particular import in this time of Advent.
