Dear Colleagues:

Last week I received a call from Dr. Phillip Meadows of Garrett Evangelical Theological Seminary, recently arrived from Great Britain. Due to extenuating circumstances, Phillip asked that he be permitted a late presentation of his 1999 WTS program proposal. I am quite reluctant to pass up his proposal. The topic is clearly applicable to the 1999 program. So, even though the proposal is late, and I know that you have many other things to do, I ask that you give you counsel for this additional piece.

You need not send your evaluation to me. We will discuss the proposal by telephone.

Sincerely yours,

AT

Al Truesdale
