BARRINGER ENDOWMENT ANNOUNCED

The Session of the Church most gratefully acknowledges the gift of a $50,000 Endowment by Mr. & Mrs. Russell Newton Barringer, Sr., some $15,000 of which has already been placed in trust. Interest from the Endowment will be used over the turn of the years to meet special needs of the Church. In the congregation's long history this is the first Endowment Gift ever received. We are deeply thankful.

TRINITY AVENUE PRESBYTERIAN CHURCH
Newsletter for Sunday, November 18, 1984

ABOUT THE SICK:
Known to be in the hospital are: Mr. Edward L. Massengill and Mr. Wayne E. Taylor (Duke). Charles Ross, son of Mr. & Mrs. William Ross, Mr. Fenner Boyd and Mrs. Mayton (Maude) Betts (County General). Miss Mary Frances Montgomery is now recuperating at home. Please call the family or hospital before visiting. If there are others please call to advise the ministers.

THE PONY EXPRESS IS ON ITS WAY TO YOUR HOUSE!
If it hasn't been there already! Remember, the goal is to complete the entire run in less than two weeks. If that is to be accomplished nearly every household on the list must pass the saddlebag along in one (1) day.

Please don't delay!
If you wish to take more time to fill out your questionnaire, simply tear off the yellow card, sign your name to it, put the card in the pledging envelope with your estimate of giving card, and keep the questionnaire. You may bring the completed questionnaire to the church office or mail it later. Do not let the questionnaire - or anything - stand in the way of the Pony Express.

We do hope you will consider estimating a pledge increase over last year in the 10% to 15% range. There are a number of special needs this year, like a copy machine for the office (our current one was bought in pony express days), a new airconditioning compressor for the education building, and a part-time hostess. Without your help these things cannot be done.

Thank you for your generous support and fast riding.

Jeff Johnston, Canvass Chairman
