

1-21-62

O God, all powerful, . Being of endless variety, we are unable even to imagine Thy nature. We are sure that Thou art intelligence at its highest, the source of all ove, the creator of all matter and of all life.

Forgive us where we have misinterpreted thy desires. Forgives us where we have interpreted thy wishes correctly but have not done Thy will. Forgive us as we forgive those who offend and abuse us.

We are glad for this chance to worship Thee in thex company of friend and acquaintances. We are happy for the new friendships which the christian fellowship of the church makes possible. We are fortunate that we are neither hungry nor cold, such as is the fate of many just-as-deserving people in many parts of the world. For the many other necessities and comforts we know we are dependent on Thee.

M ve us with compassion and love for others, so that we will do our best to help others in ways which they both need and desire. We would help feed the hungry in body with food.

We want to share Christ, our spiritual treasure, with others.

Bless and comfort the sick and grieving. In all things grant us Thy love. Use us in Thy service. Speak to us in this service.

In Jesus Name. Amen.
