REPORT OF THE WOMAN'S SOCIETY OF CHRISTIAN SERVICE
OF DUKE MEMORIAL METHODIST CHURCH

Sept. 8, 1942

Membership in the Woman's Society of Christian Service has certainly fluctuated this past quarter. There were 198 on roll as of June 1st. Ten have been lost and 13 gained, a net increase of 3. Total enrollment now 201.

There has been very little in activity to report for the summer. The attendance at the general meetings has been very poor. But refreshment has been served and so the group has gotten together in closer social fellowship. The Spiritaul Life group has grown in size as other meetings have fallen off. This group started this year with about an average attendance of six or seven and now there are about twenty present each time. Mrs C. W. Pepler has done a wonderful work with this.

Mrs J. P. Breedlove, chairman of the Baby Division has reported three baby memberships this summer. This is a fine record.

Mrs M. T. Spears has been doing a fine work with the programs this quarter. Mrs J. P. Breedlove, Mrs F.R. Drakis, and Mrs D. L. Sherertz have been the speakers.

The Visiting Committee under Mrs J. H. Rutledge has almost become nonexistent. This is due to no fault of hers. The difficulty is the tire and gas shortage. But the women have been visiting in their own neighborhoods and bringing the women in.

The Woman's Division of the whole church has a deficit for the past year. Our group raised 18.00 yesterday as a free will offering to help meet this in our Conference. A little more will be added to this amount later.

Respectfully submitted,

A. H. Borland
