X. Supplementary Statement by Superintendent:

- (a) Features in which the School has made greatest Progress during the Quarter Since our last report, another class has been organized and is in operation. The class is making its appeal to young women and particularly to those who have been more or less inactive in the work of the Church School. The class already shows promise of helping the enrollment.
- (b) Greatest Needs of the School

This being the year of church school emphasis in the "Crusade for Christ" program, we hope to increase our enrollment to 1200 by the end of the church school year October 31, 1948.
