AN URGENT MESSAGE FROM THE COMMISSION ON STEWARDSHIP AND FINANCE

Your Commission on Stewardship and Finance is charged with an enormous responsibility in that it is called upon to see that (1) an adequate Budget is prepared and approved; (2) that an Every-Member-Canvass is conducted; and (3) that all members are kept informed about the financial needs of the church. This is truly a great task; but, it is a glorious one and the Commission is watching our financial progress with an expectant faith.

There are many members who have not yet indicated their intended support of the church for this year. Perhaps there are extenuating reasons; nevertheless, the Commission strongly urges everyone to register his loyalty by making a commitment to support the church according to his prosperity.

Your Commission is strongly dedicated to the idea of building a sound financial system in Duke Memorial Methodist Church, and one such principle is the "pay as you go" plan. We must balance our budget at the end of each quarter. The first Quarter will end on Sept. 30 at which time one fourth of the annual budget, or \$18,015.00 will be due. In order to make this goal, we will need to see that each month's portion of the budget is met. Let everyone resolve here and now to help us make this worthy goal possible.
