

December 9, 1958

The regular meeting of the Official Board was held at 7:45 p.m. on Tuesday, December 9, in the Ladies Parlor. In the absence of the Chairman, Mr. Chewning, the vice-chairman, Mr. Thomas Goad, presided.

Mr. Bradshaw opened the meeting with prayer.

The November minutes were read and approved.

A vote of thanks was offered to the paving committee appointed in November for the speedy completion of the paving of the parking lot.

Dr. Glasson, Chairman of the Commission on Stewardship and Finance, recommended that the parsonages utilities of the 2 ministers be paid by the church. If these bills are sent to the church treasurer and paid by him, they are tax deductable. Dr. Glasson moved that this action be taken, Mr. Coman seconded, and it carried unanimously.

The Treasurer gave his monthly report which is attached to the minutes. Our financial picture is improved over last year at this same time.

The meeting adjourned to sit as a Quarterly Conference.

Respectfully submitted,
Eunice H. Mattox
