Mr. Charles H. Chewning  
113 W. Markham Avenue  
Durham, North Carolina

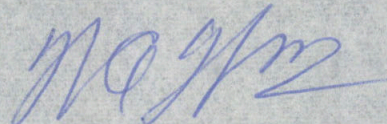

Dear Mr. Chewning:

In your absence last Tuesday evening at the regular monthly meeting of The Official Board, your Nominating Committee placed in nomination what we thought to be an excellent list of officers for this Board during the coming year. They were elected unanimously. We, as a committee, however, felt that we would not have completed our full function until a letter had been addressed to you expressing the appreciation of the whole Board for the services you have rendered our church as Chairman of this Board for the last four years. We recognize the fact that you overcame many obstacles, successfully handled an increasing cost of operations each year, and upheld the dignity of your position in such a way to deserve the praise of the entire congregation.

We congratulate you on your successes and thank you for your untiring efforts.

Cordially yours,

THE NOMINATING COMMITTEE OF  
THE OFFICIAL BOARD, DUKE  
MEMORIAL METHODIST CHURCH

W. Alfred Williams, Chairman
