

November 8, 1960

The Official Board of Duke Memorial Church held its regular meeting on November 8 at 7:45 p.m. in the Church Parlor. Dr. John Glasson, the chairman, presided.

Following prayer by the pastor, the minutes of the previous meeting were read and approved.

Reports from the commissions were brief. Mrs. Dozier gave highlights of the meeting of the Commission on Education. A copy of the minutes of this meeting is attached.

In the absence of Mr. White, Mr. Dozier reported for the Commission on Stewardship and Finance, stating that the matter of painting the sanctuary had been referred to the Endowment Board, and that the water-proofing of the windows was also under consideration.

Mr. Jones announced that receipts as of October 31 amounted to \$25,243.64. All current operating expenses had been paid to that date and \$3,322.00 had been applied to Conference obligations.

Mr. McCauley, speaking for the Methodist Men's Club, told of a proposed Church directory which it would like to publish with the approval and cooperation of the Board. He requested the chairman to appoint three members of the Official Board to work with three Club members, and recommended that they represent the Commissions on Membership and Evangelism, Finance, and Education. Mr. Cliff's motion that this committee be appointed was approved unanimously, and the chairman appointed Mr. Goad for Finance, Mr. Fowler for Evangelism, and Mr. Whitford for Education.

Mr. Coman, chairman of the committee to study the trees on the Church grounds, reported that the opinion of the committee was that the two magnolia trees in the front should be ~~removed and~~ replaced with Darlington evergreen oaks, but that the committee felt such action should have the unanimous approval of the Board. His motion for the adoption of the recommendation was seconded by Mr. Fowler, and discussed. Since the vote of the Board was not unanimous, however, the recommendation of the committee was dropped.

Mr. Bradshaw presented two matters: A group from Alcoholics Anonymous, which has outgrown the facilities of Dr. Tommy Jones' office, asked permission to meet at the Church provided a suitable time and place could be arranged. Mr. Bradshaw suggested that the chairman of the property committee, the chairman of the Board, and the Pastor act as a committee to investigate the possibilities. Mr. Dozier's motion that such a committee be appointed with the power to act was seconded and carried.

The second matter presented by the Pastor was concerning the North Carolina Christian Advocate, which has a very limited circulation in our church. At the next meeting of the Board, the Committee on Christian Literature will be asked to make a study on some way to increase subscriptions.
