Mr. Scotty McLean, Chairman  
Mr. T. S. White  
Mrs. Leland Phelps  
Mrs. Sam J. Angier  
Mr. Ken Howard  
Mr. W. E. Whitford  
Mr. Robert T. A. Pifer

The above persons represent the Organ Committee that is being appointed by me at the direction of the Board of Stewards at their meeting of June 4, 1968. This committee will be the official Organ Committee and will be empowered to select the make and manufacturer of a new organ for the Church which they will recommend to the Board of Stewards.

In the past few months, the Music Committee has made certain investigations, and Mr. Pifer, who has been active on this committee, will be of invaluable assistance to the Organ Committee. Mr. Scotty McLean, who is Chairman of our Finance Committee, which committee will have the ultimate say-so in the financing and raising of money for the purchase of the organ, will be the Chairman of the Organ Committee. Mrs. Phelps and Mrs. Angier, our two organists of longstanding, of course, will be the official advisors. Mr. W. E. Whitford and Mr. Ken Howard will represent the Church Properties Committee, as it is most important that the present structure of the choirloft be maintained as is. Mr. White will represent the dual role of the Finance Committee and the Board of Stewards.

This Organ Committee will investigate and report directly to the Board of Stewards who will have the final decision as to what type of organ will be purchased.

We would like for this committee to meet during the summer and report to the Board of Stewards not later than the September Board Meeting.

Yours very truly,

R. Dillard Teer
