

January 27, 1971

The Commission on Education makes the following recommendations:

1. That the room now occupied by the Aldersgate class be converted into a reading room and a conference room.
2. That the present library be converted into a stack room.
3. That the lighting in both rooms be completely redone; specifically that five double florescent fixtures be installed in the reading conference room and that three fixtures be installed in the stack room.
4. That both rooms be carpeted.
5. That a doorway be cut through the wall separating the two rooms.
6. That appropriate furniture, including a conference table and chairs be purchased.

The size of the proposed stack room is approximately 14' x 14' and of the proposed conference room is approximately 16' x 32'.

A very rough estimate of the cost required for the modification is:

Lighting, conference room	\$ 600.00
Lighting, stack room	250.00
Carpet, conference room	500.00
Carpet, stack room	200.00
Furniture, conference table, etc.	1,000.00
Book shelves	300.00
Door installation	150.00
	<hr/>
TOTAL	\$ 3,000.00
