To Dr. Fred Clark, Chm. Finance Comm.
3749 St. Marks
Durham, N. C. 27707

Dear Dr. Clark and Members of the Finance Committee:

The Executive Board of United Methodist Women requests that you include in the church budget for 1974 the position of a full time hostess-housekeeper, that this position be given a very high priority within the budget, and that the congregation be so advised in the letter which you will send regarding the budget and the Every Member Canvass. We Strongly feel that there is urgent need for a full time hostess-housekeeper, that this need is widely recognized among the members, and that many members would be willing to increase their pledges if they could be assured that the increase would go for this purpose.

Sincerely yours,

Mary Whanger, Pres.
