The meeting was called to order by Mr. Holton, after which the minutes were read and approved.

Prof. Wilson reported on the work of the Scouts. He said he had increased the troop committee by three since the last meeting; namely, A.A. Wilkinson, J.M. Heldman, and L.H. Allison. He also reported that the committee had gone over the subject of CUB activities, and that they were in favor of the project as soon as the proper CUB committee and CUB master could be found, which they were in search of now. The committee plans to extend Scout activities as rapidly as the boys can be taken care of; and to begin in a small way on Cub work as soon as the adult help is available. Prof. Wilson said the greatest need of the local troop was for equipment and for a sponsoring organization to help look after them. It was suggested and endorsed by the Board that the Pastor's Aides class be asked to act as their sponsor, and it was left up to Prof. Wilson to arrange for this.

It was reported that the Senior Department was getting along fine.

Mr. Kolbe reported that the Junior Church was getting under way, despite several difficulties, but that no arrangements had been made yet for Missionary Education on the fourth Sundays. Mr. Kolbe said he would be glad to cooperate with Mrs. Ormond in working this out. The Junior and Intermediate Departments were asked to work with Mr. Kolbe and the pastor in getting the boys and girls ready for Church membership on Easter Sunday.

Mrs. A.A. Wilkinson was officially recorded as secretary of the Primary Department.

There being no further business the meeting was adjourned.

Those present were: Mr. Porter, Prof. Holton, Prof. Proctor, Prof. Wilson, Mr. Kolbe, and Reba Cousins.
April 11, 1934.

The meeting was called to order by the chairman, and the minutes were read and approved.

It was reported that the Pastor's Aides class had agreed to sponsor the local Boy Scout troop and to give them a reasonable amount of financial aid. Mention was also made of the United States flag which Mr. Venable had given to the troop.

A brief report was made to the effect that the Young People's Division Advisory Committee had met and been set up, but no definite action was taken on the recommendations.

Some discussion was then held concerning the Sunday night church services during the absence of the pastor at General Conference. It was suggested that the young people have charge of the evening service for these three Sundays, with the future possibility in mind of a combination of the evening church service and the young people's meeting. The details of these services were left up to the young people themselves.

Sunday School Day was set for May 6, with the following committee appointed to make definite plans: Mr. Porter, Mr. Holton, Charlotte Corbin, and Reba Cousins. The committee was called to meet the following Friday afternoon in Mr. Holton's office.

The question of the group to be received into the church on Easter Sunday was then discussed, and the problem of how to contact the children and get them ready to join the church. It was decided that it could best be handled through the Sunday School class teachers, if they would work with the pastor and the assistant pastor in making the proper contacts with the boys and girls.

The Board voted to encourage departmental meetings during this month and to try to plan for a Workers' Council on May 15.
There being no further business the meeting was then adjourned.
Those present were: Mr. Porter, Mr. Holton, Prof. Proctor, Prof. Wilson, Henry Kolbe, and Reba Cousins.
