Letters have been mailed to each person who will participate in the installation. At Worker's Conference on Monday night visiting church school pupils will be stressed. On Tuesday night a special service for all denominations celebrating the publication of the new edition of the Bible will be held. Next Sunday will be rally day for the church school.

Mrs. Bayliss has been secured as teacher for the new weekday kindergarten. This will be for five year olds on Mon., Tues., Thurs. from 9-12, limited to 20, at a cost of \$8 per month. First session will be held on Monday in the classroom for four-year-olds.

Thirty five Bibles of the new edition have been ordered for the Primaries being promoted to the Junior Department. They will be buckram, maroon, and the cost was \$179. The Bibles cannot be given out until the 30th but the three teachers of the graduating Primary classes have agreed to deliever them to the children's homes during the week.

Mr. Whitford reported that Mrs. Hutchins needs somebody to sponsor the McMannen Street group. Ill health will prevent her from doing for this group what she has done in the past. Mr. Tuttle for the Pastor's Aides class has been arranging transportation and that is no problem. A place of assembly for the children is needed and visits should be made to contact new children as well to keep up the interest of those already enrolled. The Board voted that Mr. Whitford be asked to present the matter to the Lily Duke class and ask that this class sponsor this project.

Mr. Whitford also reported that he an two others attended the adult conference at Mebane.
