E. CLIFFORD SHOAF
MINISTER OF EDUCATION

The Commission on Finance
Duke Memorial Methodist Church

Gentlemen:

The Commission on Education at its regular meeting on October 25, 1960 considered our need for an additional filmstrip projector. They unanimously approved that one be purchased and thus make this recommendation to you.

The projector which will serve our needs is the Viewlex 500 watt 35mm filmstrip and slide projector. It is available from the Methodist Publishing house at a list price of \$109.40. A demonstrator model is available from the display salesman for a discount price of 89.50. Also the National School Supply and Film Service in Raleigh will give a 10% discount on their projectors which run in the same price range.

Respectfully submitted,

The Commission on Education
