NUMBER 32

BELLS FOR BETHANY

Christian Education Sunday will be celebrated in a very special way on September 12. The purpose of the planning and preparation that will go into this program is to revitalize our entire Sunday School and to bring us together as a Church family.

Like any other family we have members of all ages, with each member contributing his special talent. Sunday school is a vital part of our church life and we must work together to make it an enriching, fulfilling experience. Within our own Christian families and the family of God, people are led to a faithful commitment to Jesus Christ and introduced into a continuing cycle of outreach and growth.

Mark September 12 as an important date; it will be filled with joy and celebration. "Back to the good ol' days!" Duke Memorial is buzzing with excitement and enthusiasm. Let's go Back to Bethany and relive the sounds and sights that brought folks to church to celebrate their Christian faith with their Church family.
