MRS. MARY DUKE BIDDLE

In the death of Mrs. Mary Duke Biddle we are reminded of the part she and her family have played in the life of Duke Memorial Church. It was her grandfather, Mr. Washington Duke, who led in the establishing of the Bethany Sunday School in his factory in May, 1886, which was the forerunner of our church. He was the supervisor of the Sunday School and his son, Benjamin N. Duke, was the secretary and treasurer. Shortly thereafter largely through the help of the Duke family the Main Street Church was built and the congregation was formed. Later their substantial support made possible the erection of this present building in which we worship and study.

On February 10, 1901, Mary Duke, daughter of Mr and Mrs. Benjamin N Duke, united with the church on profession of faith, and she has maintained her membership here through the years until the time of her death. Throughout her life she exhibited a deep love for and a strong interest in her church. As a boy I remember her lovely voice as she sang in our church choir. Since coming to Duke Memorial as her pastor I have had opportunity to talk with her about her interest in the church and its program. Hers was more than a perfunctory interest. She was concerned about the larger aspects of our work as well as about smaller details. She was present at the evening worship service on June 5, just nine days before her passing. And as she left the church that night she was expressing again her love for her church.

She represented the third generation of her family in the life of her church and we are grateful that she continued the same loyal devotion that was shown by her grandfather and her father and mother. We shall miss her but we shall ever hold in grateful memory her life and her works. And we are happy that a fourth and fifth generation of the family are still a part of our church family.

A VICTORIOUS EFFORT

All our congregation can take pride and have a deep sense of satisfaction in the fact that our Budget for the new Conference Year has been subscribed. The united and consecrated effort on the part of the Commission on Stewardship and Finance, the Every Member Canvass Committee, and the entire membership has enabled us to underwrite the largest Budget in the history of our church. Of course, if there are members who have not shared in this victorious effort, there is still opportunity to do so. But we have reached our goal and we should all be happy.

OUR STEWARDSHIP

We hope all who can do so will complete their payments to the current year's Budget either today or by Thursday, June 30, the last day of our fiscal year.

TO MY PEOPLE

Another Conference Year comes to an end today and as your minister reflects on the year many things crowd into his mind. Most of all he is conscious of the things he would like to have done and has not done. Every member of his church family is precious to him and he is aware that there must have been many needs in the lives of some of his people that he has not met. For that failure he is truly sorry.

Then he is conscious of the growing spirit of loyalty and devotion on the part of so many members of the congregation. Many have labored in so many ways to increase the effectiveness of the work and life of the church. The fine support of the entire membership in the successful completion of the Every Member Canvass has been a thrilling experience and a source of real encouragement. The future seems bright.

He has been ever mindful of the presence of God's Spirit working in us and through us to accomplish the things He wants done. And while we have not always responded to the leading of His Spirit as we might have done, He has continued to be near us and to bless.

And, finally, your minister is conscious of a new desire and determination on his part to be a better servant of God and a better pastor to you during the coming year. He is praying for wisdom, insight, and strength to serve you better. And he covets your prayer toward this same end.

I thank all of you for all you have done to help make this a good year in the life of your church and of your minister.

God bless you!

Your pastor and friend,

Robert W. Bradshaw
