Praise be to God! There comes out of the night the day, out of the gloom of wintertime spring with its flowers gay. There comes out of the chrysalis dry, yellow or blue or snowy winged, gay little butterfly. There comes out of the buried grain wonderful life, a hundredfold harvest of joy again. Praise to our Father, God, giver of life to all, wonderful life, that cannot die, given to great and small!

THE SCRIPTURE READING

Luke 23:13-23

THE OFFERTORY ANTHEM "How Brightly Shines the Morning Star" Nicolai

How brightly shines the morning star! What radiance streaming from afar! God's glory there is shining. Clear beam of God, which scatters night, and guides the wandering souls aright, who long for truth were pining. Jesus! God's word! Truth revealing, sorrow healing, life bestowing. Praise, oh praise such grace o'er flowing. My comfort here, my joy above, Man's Son, Son of the Father's love, Enthroned in heaven. With my whole heart Thy praise I sing; to Thee, our prophet, priest and king be honors given. Savior, to Thee, trusting, clinging, come I, bringing soul and spirit, Thee, my portion, to inherit. Aid me, my God, to sing Thy praise, Thine ageless love, Thy matchless grace, in Christ our Lord appearing. When such a gift God gave for thee, when such a brother true is He, why still, my soul, be fearing? Choose Him, know Him, greatest, dearest, best, and nearest, to befriend thee, and His love divine extend thee. Amen!
