IN MEMORIAM

Mr. A. Louis Crumpacker

June 8, 1963

TO MY PEOPLE

Another year of my ministry with you ends with the services today. It does not seem possible that this completes five years of my pastorate at Duke Memorial Church.

These have been happy years for me and, I hope, fruitful years for the church. There have been experiences that have brought us joy and satisfaction, and there have been experiences that have not been so easy nor satisfying. But in all of them we have felt a need for dependence on God and a deep sense of need for the leading of His Spirit. The years ahead can be good ones for us if we continue to feel that need.

I am conscious of the fact that I have not been able to do all that I would like to do as your minister. The needs of my people are a source of real concern to me all the time. When I can help meet those needs, I am happy. When, for any reason, I cannot or do not meet such needs I am truly sorry. I pray every day that I may serve you better.

I look forward to another year of service as your minister. I shall ask God for added strength and wisdom that I may better fulfill the responsibilities that are mine as your pastor. And I covet from each of you your prayers—that they may add to my strength for the task.

I am deeply grateful to all who have added to my joy of living during the year.

God bless you!

Your pastor and friend,

Robert W. Bradshaw

THANK YOU

As we come to the close of another Conference year, and as we look back over the things accomplished, it is with gratitude and appreciation that I thank God and thank you! The experiences of the year have been meaningful and will continue to be a source of joy and satisfaction to my life, and I am sure they will be a credit to the on-going of the church.

Your willingness to work, your cooperation in the ventures undertaken, your concern, helpfulness, and response to the work have been gratifying. May the years of our association be filled with the same spirit of service to God and to our church.

May the riches of God's blessings be upon you in the days ahead.

Sincerely,

Warren Bishop
