

DUKE MEMORIAL NURSERY SCHOOL MINUTES (1950-51)

The sixth meeting of the Duke Memorial Nursery School met on February 8, 1951 and was brought to order by the Chairman, Mrs. Pyne. The minutes were read and accepted. The treasurer reported a balance of \$260.74, and the membership chairman reported 22 enrolled. The mother assistant chairman said that everyone was pretty well signed up. It was decided that the mother assistant chairman should notify mothers when they are signed up to assist. The equipment chairman reported \$9.44 spent. The communications chairman reported that everyone had been contacted for this meeting. It was decided that the fence money would be put to better advantage if used for playground equipment.

Mrs. Pittman asked if we would like to join the record club but the group ruled against doing so. She also asked if we would make some doll clothes and passed a dress she had made.

The meeting was then turned over to the Program Chairman, Mrs. Irwin, who read an article titled "School Before 6" from the National Parent-Teacher Magazine. A discussion followed and Mrs. Kraybill suggested that some step be taken to keep the toilets sanitary. The equipment chairman was asked to purchase some brushes and disinfectant for this purpose. The purchase of some rhythm instruments was also recommended.

The meeting was then adjourned.

The first part of the report deals with the general situation of the country. It is a very interesting and informative study of the country's development. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's development.

The second part of the report deals with the economic situation of the country. It is a very interesting and informative study of the country's economic development. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's economic development.

The third part of the report deals with the social situation of the country. It is a very interesting and informative study of the country's social development. The author has done a great deal of research and has gathered a wealth of material. The report is well written and is a valuable contribution to the study of the country's social development.
