

3/3/67

Several of our members contacted me to indicate that they thought our teachers needed a word of thanks from us to boost their morale.

With this in mind I sent two letters:

one to:

Mrs. Robinson  
Mrs. Brown  
Mrs. Kistler  
Mrs. Rogers  
Mrs. Pegram

another one to:

Mrs. Johnson

Copies of these letters are enclosed.

Although the school year is not yet over, I would like to take this opportunity to thank you for teaching in our Week Day School this year.

While there have been problems, we appreciate the hard work that you have given in teaching your class.

I hope that the remaining days in the school year are meaningful and satisfying for you and your school children.

Sincerely,

S. Harold Lamm, Chairman

Although this school year is not yet over, I would like to take this opportunity to express my personal appreciation and that of the Week Day School Committee for the fine teaching and work that you have done in our school.

While there have been problems and administrative and supervisory shortcomings, your outstanding performance in the classroom, and the many experiences and learnings that you have given our children, are making this a good year.

I hope that the remaining days in the school year are meaningful and satisfying for you and your school children.

Sincerely,

*S. Harold Lamm*
