PASTOR'S MESSAGE

This Church Directory has been prepared for you in order that you might get to know the members of the church better and in order that you might be better acquainted with the activities of Duke Memorial United Methodist Church.

Numerous people have been involved in making this directory possible. We are indebted especially to Jack B. Cliff, who was the chairman of the project. We express our gratitude to T. S. Coble, Jr. who took many of the pictures, and to all who volunteered their services.

We are indebted to Mrs. Virginia Massey, our Church Secretary, Mrs. Marguerite Pate and to Miss Nancy Hall for their many hours of work in bringing all the details together and in typing everything you find in this directory.

DUKE MEMORIAL HISTORICAL HERITAGE

Duke Memorial United Methodist Church stands where it does today - a pillar of strength and Christian Witness to the Community - because of the loyalty, dedication, and devotion of its membership throughout its 84 years of Service.

Our Church bears the name of a family that was among the first to give so much physically and spiritually to the then infant congregation. This family has been long honored for the vast impact it made upon not only Our Church, but upon Durham and North Carolina.

On the first Sunday of May 1886, a Sunday School, known as Bethany Sunday School, was established. Its first quarters were a spacious section of one of the Duke tobacco plants. There were thirty-three members, with the Rev. Amos Gregson serving as pastor in this informal location. Soon after the organization of Bethany Sunday School, B. L. Duke donated to the little congregation a lot on the corner of West Main and Gregson Streets, and on Oct. 10, 1886, a brick church 40 x 70 feet in size was occupied. This church was one of several begun by Durham's "Mother Church of Methodism," Trinity Church, which now is in its 110th year.

With the move into its first church edifice, the name of Bethany Sunday School passed into history as the congregation of forty-four members formed the Main Street Methodist Church. Of that charter membership, seventeen brought their letters from Trinity Church, eighteen transferred from other churches, and nine joined on profession of faith.

That first building, it is interesting to note, was razed only two years ago, after having served for many years as House of Worship for the United Church of Christ.

The initial Main Street building was dedicated April 24, 1887, after the indebtedness existing for some time was liquidated by a check from Washington Duke. Characteristic of what he and others of his family did for Our Church, he wished to eradicate the debt rather than canvass the membership for donations. Many of the members were employees of his factory.

The church expanded soundly and rapidly and by 1889, the Sunday School had increased tenfold in membership, and during the year, 138 members were added to the church roll, 109 of them by profession of faith.

Recognizing the need for expansion of physical facilities, B. N. Duke gave a 40 x 20 feet annex to the church. This building still stands today, at the rear of an educational annex which the United Church of Christ (then the Congregational Christian Church) added in 1949. Both buildings are now office structures.

The need for more facilities for Main Street Church had been increased with the removal to Durham from Randolph County of Trinity College (now Duke University) in 1892. The influx of members from the institution led to an increased era of activity and membership, and an ultimate decision in 1906 to relocate the church for much needed expansion.

That year, the site of the present church was purchased, and the following year, the cornerstone was laid. Services were held in the Sunday School section for a time until the Sanctuary was completed. This very same Sunday School section is the area which underwent extensive renovation during 1968-69.
The change of the location had brought about the inevitable, and most deserving, change of the church's name, in honor of the family which had contributed magnificently to its physical expansion through the years. The church was changed briefly from Main Street to Memorial, and finally to Duke Memorial, and the Sanctuary was used for the first time, June 2, 1912. The membership then stood at 709 persons, with 698 on the Sunday School rolls. The value of the church property was listed as $141,276. The parsonage then was located on the site of the present parking lot. The Sanctuary was dedicated, June 14, 1914.

A number of years passed before it became necessary to make further physical expansion. This was done during 1929-31, with the erection of the present Youth Building and the excavation of the entire basement of the Sanctuary Building. With the opening of the Youth Building in 1931, the membership had risen to 1,432, the Sunday School enrollment to 1,356, and the property valuation to $501,562. The present church parsonage was erected at 200 Cedar St. in 1949. In 1953, a renovation program was carried out in the two buildings, the N. C. Annual Conference met with us, and the parsonage debt was liquidated.

Central air-conditioning, among the first for a Durham congregation, was added to the two buildings during 1954-56, given in loving memory of Mrs. Gertrude Teer (Mrs. Nello L. Teer, Sr.), a devoted member of the church for 32 years and of the Administrative Board for 14 years. The parking lot was opened in 1955. A second parsonage was purchased and the Youth Building renovated in 1959. During 1961-62, a long-range study committee evaluated the physical needs and reported the need for additional facilities, in order that the congregation might more adequately serve the growing membership and program of activities.

In October, 1961, the congregation, on the eve of the 75th Anniversary of the church's founding, agreed to proceed with plans to finance and erect a third building. This was the first major canvass of the membership at large for a building program, since throughout the history of Our Church, much of the physical needs had been provided without churchwide subscription. A $450,000 crusade was oversubscribed; plans were approved Nov. 4, 1962, and ground was broken July 14, 1963. The cornerstone was laid Oct. 13, 1963. The building, known as the Church School Building, was consecrated Aug. 23, 1964 and occupied Aug. 30, 1964. Bishop Paul N. Garber dedicated this three-story, 90,000 square feet structure on April 17, 1966, the debt having been eradicated in just over three years.

The long-range study of the church's physical facilities showed the need for renovation to the Sanctuary Building, and this endeavor was to be launched as soon as feasible after completion of the Church School Building. During the 1967-69 period, needs were compiled, plans laid and work begun. The resulting effort of this $303,000 project, is the updating of all utilities and facilities in the Sunday School areas of the Sanctuary Building; the very place where Duke Memorial, as it is known today, came into being.

To further enhance the physical facilities, a $278,000 Sanctuary Renovation and Organ Crusade was held in the fall of 1969. This project, when completed, will place Our Church second to none in the physical facilities provided for an ongoing program of activities.

The whole history of Duke Memorial United Methodist Church has reflected the love, loyalty and devotion of continuing generations of its members. This congregation continues to benefit from the Trust Funds left by the namesake of the church and others gone before.

With its great heritage, its comprehensive program for its members, its solid financial support, its witness, outreach and mission to others, and its excellent physical facilities valued at $5 million; Duke Memorial stands today with assurance of its constant service throughout the coming years. While rejoicing in its grand and glorious past, Duke Memorial also rejoices that this great attribute now is coupled with a stimulating environment of new opportunities; new people. The influx of new people, new businesses, new challenges, much like that of the long-ago influence of the then young Duke University, gives Duke Memorial a great legacy for the future generations to come.

Duke Memorial United Methodist Church, some 2,000 persons strong, with 1,000 enrolled in Christian Education, has a bright future, as evidenced by the young shown herewith.

CALL YOUR MINISTER

1. WHEN YOU ARE FACING A SERIOUS PROBLEM
   Most Ministers have been trained to help people with their personal, family and other problems. The important judgment of a spiritual leader, together with his prayers for Divine guidance, will enable you to face your problems with confidence. Don’t allow your problem to get too big for you.

2. WHEN SOMEONE IS INTERESTED IN THE CHURCH
   You constantly meet young people and adults who are in your community, and others who have not united with the local church. Put in a good word for your church and tell your pastor about the prospective members.

3. WHEN THERE IS ILLNESS
   Your Minister is as near as your telephone. His presence, counsel and prayer will be helpful. Your pastor will appreciate your phone call when you, your loved one or friend is sick or going to the hospital.

4. WHEN THERE IS DEATH
   Your Minister should be notified when there is a death in the family. He can give comfort and counsel at this difficult time.

5. WHEN YOU MUST MAKE AN IMPORTANT DECISION
   If you are a young person and face a decision about going to college, arranging your course of study, or choosing your life work, make an appointment to see your minister. The viewpoint of your spiritual adviser should be considered.

6. WHEN THERE IS A WEDDING
   Your Pastor should be consulted before the wedding day is set. Since you will undoubtedly desire to have one or more conferences with your Minister, it is advisable to contact him well in advance of the wedding.

7. WHEN SOMEONE DESIRES TO BECOME A CHRISTIAN
   Happy, indeed, is the pastor who is asked to talk with someone desiring to become a Christian. Tell your Minister about friends of yours who are interested in knowing more about the Christian faith.
