Dear Mr. Chessman:

At the May meeting of the administrative board of Duke Memorial Church you received high praise for your work in pioneering the Community Life Program.

It is my pleasure to direct this letter of appreciation to you for the outstanding job rendered to the Senior Citizens of our community.

Although the venture was not accepted by some in our congregation in the beginning, we can all say today the program is successful and is working very smoothly.

The quiet and unassuming manner in which you conducted yourself and your work had a great deal to do with the success of the program.

Thank you for showing our congregation a way to minister to our fellow citizens.

Sincerely yours,

W. T. Coman
