PASTOR'S REPORT TO QUARTERLY CONFERENCE

December 7, 1954

There are many things to encourage us about the work at Duke Memorial. The young people are most active in the work of the Youth Fellowship. They not only come to Church School and Church on Sunday morning, but large numbers return for the evening meetings. Many of them attend the Church Worship at 7:30 o'clock on Sunday night. The pastor greatly appreciates the fact that many of the stewards are making an effort to be present for the Sunday evening Church Worship when their particular group sponsors the service. The attendance upon our morning worship at 11 o'clock is especially gratifying. The Woman's Society of Christian Service continues to work effectively. It would be hard to estimate the amount of good that is being accomplished by this group. The Church School continues to make an excellent record.

The pastor and his family are happy to be back at Duke Memorial for the fourth year. The loyalty and cooperation of the members of this church bring joy to the hearts of the family.

We look to the future with optimism, believing that Duke Memorial will continue to make progress. The Official Board continues to manifest a deep and abiding interest in the entire church program. The organization of a Men's Club is planned during the month of February. It is felt that such an organization will accomplish a great deal.

Respectfully submitted,

Edgar B. Fisher
