PASTOR'S REPORT TO QUARTERLY CONFERENCE

May 31, 1955

We are happy to feel that we have much to encourage us as we approach the end of another conference year. Splendid work is being done by various organizations of the church, especially the Woman's Society of Christian Service and the Church School. We feel very much encouraged over the success of the newly organized Men's Club of the church. We are hoping to have a Vacation Church School if we can secure the necessary workers. So many of our people feel that they cannot possibly take part in the work of the Vacation Church School, but we hope we can yet have a fully staffed organization by the time the school begins.

We have been encouraged at the number of new members coming into our church. We feel that by all of us working together the membership will continue to increase.

I am endeavoring to do as much pastoral work as possible. During the first seven months of this conference year it has been my privilege to make a total of 871 calls.

We believe that with the cooperation of the entire Official Board and membership we shall be able to go to our Annual Conference with creditable reports.

Respectfully submitted,

REPORT OF THE BOARD OF DIRECTORS

1952-53

We are happy to feel that we have made some progress in our
approach to the one of our major concerns, the maintenance of a
high level of service to the church, especially in the
area of Christian Service and the Church School. We feel that
the church has made a great deal of progress in the past year
and we are confident that we can continue to make progress in
the future. We are confident that we can continue to make
progress in the future. We are confident that we can continue to
make progress in the future.

school building. We have been successful in the number of new members coming into
our church. We feel that all of us would like to see the membership
continue to increase.

I am endeavoring to do my own part as best as possible.
During the last seven months of this conference year it has been my
privilege to take a total of 100 calls.

We believe that with the cooperation of the entire church body
and membership we shall be able to do so for our annual conference with
credit and respect.

Respectfully submitted,
