

Quarterly Report or Annual Summary of the Methodist Youth Fellowship

In small churches where the Methodist Youth Fellowship is organized as one group, its president should make this report. Otherwise the report should be made by the president of the older youth group after consultation with the other age groups in the MYF. This report supplements the report of the church school superintendent, which includes youth membership, attendance, and financial statistics. Four copies should be made of this report in order to provide a copy for the Recording Steward, the Pastor, the District Superintendent, and the President of the MYF.

If the reports are too long to be entered in the space provided, they should be attached on a separate sheet.
